

Patriotic Bird Feeder/Bird Bath

What you need:

- 6" Clay pot
- 11" Clay pot draining tray
- Craft paint (red, white and blue)
- Clear liquid nails or other silicone glue
- Clear spray sealer

What you do:

1. Paint pots. (You may want to make patterns of the stars out of paper to trace around with pencil first).

- Note:* If you trace first, be sure to draw VERY lightly so pencil will not show through.
2. Let dry, then turn pot upside down and glue tray to pot.
 3. Spray with clear sealer
